

We would like to invite you to be part of the Pennsylvania State ThesFest - Weekend Conference!

PA Thespians is a chapter of the Educational Theatre Association (ETA), whose mission is to “inspire and support theatre educators to deliver equitable, transformative learning experiences for all.” Over 2.5 million students have been inducted into the International Thespian Society since it began in 1929.

The PA ThesFest is a 3-day conference that draws over 1,000 Directors, Students and Chaperones from across the state. This year, it will be held January 2-4 at Parkland HS in Allentown. Much of the conference is performance-oriented with 4 full-length mainstage shows presented along with 15 One-Act shows. Students also participate in various events like Tech Challenge, Improv Pairs, Hat/Makeup & Scenic Design, and three workshop sessions. Students in grades 11/12 perform or present their technical portfolios for scholarships (gr 12) and college showcase exposure (gr 11) - making for a full weekend!

We have several options for you to be involved with our Conference and would appreciate any level of financial support for our event and its programming:

PA ThesFest Sponsor	Diamond Sponsor	Platinum Sponsor	Gold Sponsor	College/University In Person Participant
