

### **STO APPLICATION - SIGNATURE PAGE**

Along with filling out the STO application google form, you will need to have this form completed, signed by your parent/guardian and troupe director -to be uploaded as part of your online application.

I understand that if elected I will be expected to attend the virtual and in person Conference State Board meetings and to arrive the day prior to the state conference for board preparation. Conference board meetings are held on Sunday evenings on a bi-monthly basis. Spring and fall seasons may also include an on-site board meeting in person at the host school. If I am unable to attend a meeting, I will notify the Chapter Director in a timely manner and do my best to communicate with my fellow STOs regularly. Communication of meetings and information will be done via email. STOs are expected to check their email for PA Thespian business.

NOTE: There is to be only one candidate per troupe. At the conference, all candidates will participate in all STO Leadership workshop sessions. This will be the process through which the new STO will be selected.

#### PARENTAL APPROVAL

I approve of my son/daughter's candidacy for the State Thespian Board. I understand that there may be some travelling and expenses involved in holding this office. I understand that if elected, my student will be expected to attend the STO State Board meetings.

#### TROUPE DIRECTOR APPROVAL

I recommend this student for the State Board. S/he is an active member of our troupe. I understand that if my student is elected, s/he will be expected to attend the State Board meetings and I will commit (based on my school district's policy) to ensure that my student will attend these meetings. I also understand that I also become a State Board member At Large if my student is selected, and I am committed to taking on responsibilities to be an active contributor to board activities.
