**Thespy entries will be virtual – and managed separately from the weekend conference.**

Information and rubrics for submissions will be posted at the PA Thespians website as soon as it is released by EDTA.  
Must be an inducted Thespian. Entry fees and video submissions uploaded through OpenWater.

**Choosing a piece for your Thespy?** To participate, you’ll need to select material the publishers have approved for use in the Thespy program. Please check the EDTA Thespy page often — due to the nature of rights and licensing, this list could change at any time. And be sure to read the list carefully: **Not all materials from these publishers are approved.** Each publisher has their own process by which they must approve the performance rights for the titles they represent.

Timeline: Nov 1 – submit all necessary info via google form to PA Thespians. We will review each entry to ensure that it meets the EDTA guidelines for use in the Thespy program, and notify troupe directors by the end of November.

Dec 31 – submit payment and videos through OpenWater.

January – judges will review entries and announce Superiors at the end of the month

**Visit our website for more information & details about deadlines, applications, and other requirements for any of the above items: [www.pathespians.org](http://www.pathespians.org)**

**\*I give permission for this student to register & participate in this event.**
